

CONTENT CURATOR

JOB DESCRIPTION

OUR MISSION

The Big Kids' Table exists to be an informative, loving perspective and to create safe, honest conversations about Kingdom identity, sexual experience and the expression of sexual desire.

We seek to create an online platform for such conversation, striving to become a safe resource for young people and their faith communities. Furthermore, we aim to facilitate tailored consultation and programs for such faith communities that will create powerful, creative and sustainable ministry transformation.

The most beautiful moments take place at the table with food, friendship and conversation. Everything we do comes back to this verse:

'Dear friends, let us love one another, for love comes from God. Everyone who loves has been born of God and knows God. Whoever does not love does not know God, because God is love. This is how God showed his love among us: he sent his one and only son into the world that we might live through him. This is love: not that we loved God, but that he loved us and sent his son as an atoning sacrifice for our sins' – 1 John 4:7-10
